# Fibonacci Heap: Extract Mean

Fibonacci: text and image

- Extract/delete Min

Fibonacci: text and image

- Extract/delete Min
  - Delete min and add its children into the root list
  - Consolidate trees so that no two roots have same degree

Fibonacci: text and image

- **Extract/delete Min**
  - Delete min and add its children into the root list
  - Consolidate trees so that no two roots have same degree
